

ALPINE PRACTICE APPLICATION

STANDARD WAIVER

1. By participating in this practice event, I understand that motorsport is dangerous, and accept responsibility for all accidents resulting in possible injury, death, or damages to myself or my vehicle. I hereby release all event organisers, staff, and other participants of blame or liability.

2. I declare that my vehicle is mechanically sound and fit for gymkhana, and is road legal; it has passed its most recent roadworthiness test ('shaken'), and has the necessary tax and insurance.

3. I have read and agree to Team Alpine's rules and regulations for gymkhana practice events (available on the team website). I also accept any possible disadvantages (e.g. less driving time) that I may receive at this event by not being a member of Team Alpine.

Privacy Policy

Team Alpine makes the protection of personal information a priority. Personal information collected for use at Team Alpine events will never be posted, displayed, or otherwise shared with any third party.

By signing, I agree to the contents of this waiver.
